Touch-Free Sanitary Napkin Disposal

For a Clean and Hygienic Restroom Environment

Keep your ladies' restrooms clean and sanitary for customers and employees. The Janibell[®] PRIVÉ is a fully enclosed, automatically opening sanitary napkin disposal solution. Featuring a battery-operated, touch-free proximity sensor system, PRIVÉ sets a new standard for hygienic and economical solutions. Once deposited, waste isn't seen, touched or smelled again.

Advanced Sanitary Napkin Disposal Solution

Designed to Minimize Exposure to Contents for Users & Service Personnel

Touch-Free Operation for Users

A battery-operated proximity sensor automatically opens and closes the PRIVÉ's lid.

- Compact Surface Mount
- Automatic Sensor
- Moisture Resistant Coating on PCB
- Easy Clean Construction

Sanitary Disposal for Service Personnel

With the PRIVÉ's unique, fully-enclosed system, service personnel can dispose of the contents without seeing or touching the waste.

Economic & Eco-Friendly

Our unique Waste-Free Disposal makes Janibell the most eco-friendly solution.

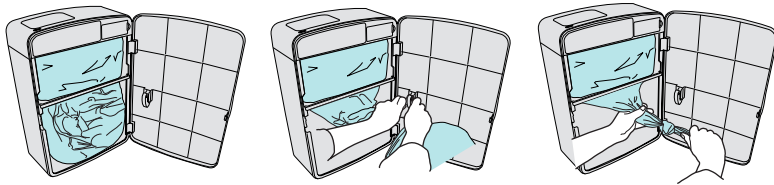

Perfect for High & Low Traffic Restrooms in:

- Office Buildings
- Restaurants
- Athletic Facilities
- Shopping Centers
- School Dorms
- Airports
- Hotels
- Retail Stores

Made for Commercial Use

Built to last, PRIVÉ is constructed of durable ABS and PCB, with a moisture-resistant coating and rust-free components.

- 1 Open front door and pull out bag
- 2 Cut liner on door mounted cutter
- 3 Create a new liner by trying a new knot

Thanks to PRIVÉ's unique continuous liner system, disposal is quick, easy and sanitary. Plus, each liner makes at least 30 bags.

Optional Base Stand is available

Capacity: 2 Gallon
Weight: 4.89 lbs. (2.22 kg.)
Dimension: 11.5"(w) x 5.51"(d) x 16.61(h)"
(292 x 140 x 422 mm)

Reduce Your Disposal Costs by up to 81%

VS.

Compared to the wax paper liners used in other sanitary napkin receptacles, PRIVÉ's unique continuous liner system reduces your disposal costs by up to 81%! And since bags can be cut to any size, there's no need to waste an entire bag if the unit is emptied before it is full.

The following charts provide the details:

Disposal of 1,000 Thin Pads:

Method	Cost Per Bag	# Disposed per Bag	# of Bags Needed	Total Disposal Cost
PRIVÉ Liner	\$0.08	130	7.7	\$0.61
Wax Paper Liner	\$0.08	25	40	\$3.20

Total Savings: 81%

Disposal of 1,000 Tampons with Applicators:

Method	Cost Per Bag	# Disposed per Bag	# of Bags Needed	Total Disposal Cost
PRIVÉ Liner	\$0.08	70	14.3	\$1.14
Wax Paper Liner	\$0.08	56	18	\$1.44

Total Savings: 21%
